---

## THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the Town of Hudson, in the County of Hillsborough, in said State, qualified to vote in Town Affairs:*

You are hereby notified to meet at Town Hall, in said Hudson, on Tuesday, the eighth day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.
3. To choose delegates and alternates to the Republican and Democrat National Convention.
4. To see if the Town will vote to accept State Aid Construction of Roads, and raise and appropriate money for the same.
5. To see what sum of money the Town will vote to raise and appropriate for the Maintenance and improvement of Town Roads.
6. To see if the Town will vote to raise and appropriate the sum of \$3,817.00, or any part thereof for the State Aid Maintenance of Roads.
7. To see if the Town will vote to raise and appropriate the sum of \$1,875.00, or any part thereof for Trunk Line Maintenance of Roads.

8. To see if the Town will vote to raise and appropriate money for the permanent improvement of Second Street. (By Petition).

9. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Police Department.

10. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Fire Department.

11. To see what sum of money the Town will vote to raise and appropriate for the observance of Memorial Day.

12. To see if the Town will vote to authorize the Selectmen to pledge the credit of the Town in anticipation of taxes.

13. To see if the Town will vote to accept numerous bequests as Trust Funds, the income to be used for the perpetual care of the various Cemetery Lots.

14. To see what sum of money the Town will vote to raise and appropriate for the permanent construction of Sidewalks.

15. To see if the Town will vote to elect a Budget Committee or take any action relating thereto.

16. To see if the Town will vote to observance the 200th anniversary of the Incorporation of the Town, or take any action relating thereto.

Given under our hands and seal, this 19th day of February, in the year of our Lord nineteen hundred and thirty-two.

JOHN A. ROBINSON,  
VERNON S. BROWN,  
OTIS R. CONNELL,

*Selectmen of Hudson, N. H.*

## Hills Memorial Library

---

During the past year the library has received gifts from Mrs. Mary Cain, Mrs. Nettie A. Fuller and others, whom we thank.

In our last annual report we spoke of two documents of great interest and value which had been placed in the library for preservation. It may be that some of our citizens have papers of even greater interest which they may desire to loan to the library. The trustees will be glad to confer with any such person.

HENRY O. SMITH,

ELIZA B. LESLIE,

GEORGE F. BLOOD,

## THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the School District in the town of Hudson qualified to vote in district affairs:*

You are hereby notified to meet at the Webster School in said district on the 12th day of March at 2.30 o'clock in the afternoon to act on the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto.
7. To choose Agents, Auditors, and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

9. To see what sum of money the district will vote to raise for the building, repairing, or furnishing school houses, or to in any way keep in repair or improve the school property of the district.

Given under our hands at said Hudson, this 20th day of Feb., 1932.

KARL E. MERRILL,  
IDA GATZ,  
RUBEN S. GROVES,

## Report of the School Board

---

To the Citizens of Hudson :

Your school board in submitting this report is mindful of the conditions surrounding us at this time and in preparing our budget which is attached at the end of this report, have endeavored to spare everything to the limit.

Learning of the decision of the Manchester and Nashua St. Railway to abandon its line thru town and that we would have to pay additional transportation for the children who lived along this line as three of them lived over two miles from the Webster Building and also that we would have to pay transportation for other children who would attend No. 9 school in the fall. A study was made of the cost of this transportation and the effect it would have to close No. 9 and bring the children to the Webster building. We found that the children would fit into the various grades and not overcrowd them as certain of the grades would have to be divided there in the fall. We therefore contracted with the Nashua Transportation Co. to provide Bus transportation from the Four Corners on the Derry Road via Derry Lane to Webster School. This has been done at a saving to the district of about \$600.00. The estimated cost of operating No. 9 School would have been \$1,215.75. The estimated cost of bringing the three children who lived over two miles plus the payment of 12c a day allowed by vote of the district to those children between one and one half miles and two miles would be at least \$2.50 a day. Litchfield agreed to pay 75c a day for carrying the Bourden children to the Bridge and the Nichols family agreed to have their children walk to the Four Corners if Bus was provided to the Bridge. The cost of Bus is \$7.00 per school day but we were able to apply against this the cost of carrying the children on Litchfield and Derry Road, 15 of

whom would have been entitled to the 12c allowance and three over two miles, the 75c from Litchfield and the 60c from the Nichols family and this leaves the actual cost of the Bus \$3.15 per day. The estimated cost of No. 9 school \$6.75 a day, saving \$3.60 a day or \$648.00 a school year.

The opportunity School at the I. O. O. F. Building has been discontinued and the space there used as an overflow for grades 4, 5 and 6. Suitable heating and improved toilet facilities have been provided for the children.

The 6-3-3 plan has been postponed until such time as it is put into effect at Nashua which we have been notified will be when a new building is provided for the Junior High pupils. This will not be for a year or two at least. We will continue our plan for the present or until Nashua changes to the 6-3-3 plan.

The cost per pupil for our elementary schools is \$61.62 while the median of the state is \$83.65.

On the February 13th we were notified that the Nashua Board of Education had voted to charge \$125.00 tuition for out of town pupils. This action was protested and their Board agreed to postpone putting the increase into effect until Sept. 1932. The school district is only liable for the average cost per pupil for the state and last year this was \$98.93. This would have made an extra charge of \$26.07 per pupil which has been saved to you for this year.

We submit the following budget for your consideration for 1932-1933.

---

## SCHOOL BOARD'S ESTIMATE FOR 1932-1933

School District of Hudson, N. H.

School Board's statement of amounts required to support public

schools and meet other statutory obligations of the 'district for the fiscal year beginning July 1, 1932. '

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

Hudson, N. H., February 1, 1932

To the School Board and Citizens of the Town of Hudson:

The following is my second annual report as Superintendent of your schools:

Enrollment									January 4, 1932
									Total
Grades	1	2	3	4	5	6	7	8	
Webster Building	41	40	44	48	43	43	56	43	358
Webster Portable	14	22							36
Webster I. O. O. F.				15	10	8			33
Total Webster School									427
Hudson Center	5	11	12	13	14	7			62
No. 1		2	3	3	4	3			15
	60	75	59	79	71	61	56	43	504
Nashua High School - Gr. 9-19; Gr. 10-34; Gr. 11-19;									
Gr. 12-20									92
									596

The special group at the I. O. O. F. building, due to the boys and girls becoming 16 and leaving school, was reduced to 12 pupils in September. These pupils were distributed among the grades in the Webster School and the special grades were completely done away with.

Due to the fact that but 12 pupils were left at No. 9 School in grades 1-6, it was decided to also close that school and to transport those pupils to the Webster School.

The Portable this year has been used as a combination overflow for the first and second grades.

The I. O. O. F. building has been used as a combination overflow for grades 4, 5, and 6.

None of the pupils who were last year, in the Portable, or in the I. O. O. F. building are there again this year, nor are any of the pupils there this year going to be assigned to these buildings again next year.

Mrs. Ruth Boles has been employed again this year as a special help teacher for those pupils in grades 2-8 who needed help and drill in the fundamentals of reading and arithmetic. I believe that this work has been very beneficial and that a large percentage of these somewhat slow children will be able to advance to the next grade at the end of the year.

Judging from the census figures which were obtained last September, there will be between 40 and 50 to enter the first grade at the Webster School next September. This is somewhat smaller than this year and last year, but will not make much difference in our crowded condition.

Next year, for the first time, each the 7th and 8th grade will have approximately 60 pupils. This will necessitate two divisions in each grade, which means that we must employ one additional teacher for these grades. For the past few years, one of these grades has been small each year, while the other has been large. This has made it possible to handle these grades with 3 full-time teachers and Mrs. Miller.

This year the 8th grade of 43 pupils has been handled as one unit, but this is fully as many as a teacher can accomplish good work with these grades.

I have been over the building situation very carefully and find that the probable enrollment for next year can be taken care of in the Webster School with the Portable and the I. O. O. F. building.

## NEW BUILDING

Due to the economic condition through which the country is now passing and to the uncertainty of future industrial developments, it does not seem to me that the town would be wise in putting on a building program this year.

As soon as business shows sufficient improvement, I believe that Hudson should build a 5 or 6 room Junior High School located as near as possible to the present Webster School, this building to take care of pupils in grades 7, 8, and 9.

I believe that such a building of fire-proof construction can be constructed and equipped for between forty and fifty thousand dollars.

There is much merit in the argument that the construction of such a building at the present time would, in a measure give some relief to the unemployed of the town, but I am not prepared to say as to whether the relief so obtained would be sufficient to warrant the building program.

## TEACHING STAFF

The teachers, individually and as a group, have showed exceptional interest in their work this year, and because of this interest have been able to accomplish good results with their respective grades.

The pupils and parents have demonstrated a good spirit of co-operation with the teachers and other school officials, for which I wish to thank them at this time.

I wish again to urge more parents to visit schools and actually see, for themselves, the work which is being accomplished.

Respectively submitted,

FRED W. HALL, *Supt.*

## REPORT OF SCHOOL NURSE

Hudson, N. H., February 15, 1932

To the School Board of Hudson:

I hereby submit the following report as school nurse from September, 1931 to February, 1932.

I took up the work in September 1931, succeeding Mrs. Merrill who resigned.

In October an all day clinic was held taking the Center School in the morning and in the afternoon the Webster and district schools.

Dr. Robert Kerr, secretary of the N. H. T. B. Association was the examining physician, assisted by Mrs. Irene Birchall, T. B. nurse, of Nashua. 109 children were given a thorough examination of lungs, throat, and heart.

Included in this number were all first grade pupils in order to determine what physical defects the child entering school might have. The majority of children examined were found to be in fairly good condition.

I believe the good health of many of the Webster school children is largely due to the convenience of hot lunches at noon, and milk at recess. Through the generosity of a town resident two children have been enabled to receive free milk during the winter months. Unfortunately the children at the Center school have not these privileges.

Through the kindness of friends, glasses were secured for two needy children in school.

With the exception of chicken pox in the first grade and a number of severe colds, the school attendance has been good. The teachers deserve a great deal of credit for the interest they take in the health and habits of cleanliness, also their promptness in re-

porting any symptoms of illness in the children.

		Corrected or Treated
No. examined	510	
No. 7% underweight	57
